THE JERSEY DEVIL (PAPERBACK)

Kensington Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Old school horror. Jonathan Maberry THE LEGEND LIVES Everyone knows the legend of the Jersey Devil. Some believe it is an abomination of nature, a hybrid winged beast from hell that stalks the Pine Barrens of southern New Jersey searching for prey. Others believe it is a hoax, a campfire story designed to scare children. But one man knows the truth. THE DEVIL AWAKES Sixty years ago, Boompa Willet came face to face with the Devil and lived to tell the tale. Now, the creature s stomping grounds are alive once again with strange sightings, disappearances, and worse. After all these years, Boompa must return to the Barrens, not to prove the legend is real but to wipe it off the face of the earth. THE BEAST MUST DIE It ll take more than just courage to defeat the Devil. It will take four generations of the Willet clan, a lifetime of survivalist training, and all the firepower they can carry. But timing is critical. A summer music festival has attracted crowds of teenagers. The woods are filled with tender young prey. But this time, the Devil is not alone. The evil has grown into an unholy horde of mutant monstrosities. And hell has come home to New Jersey. Shea delivers a tense and intriguing work of escalating tension splattered with a clever, extensive cast of bystanders turned victims An otherwise excellent, tightly delivered plot Fans of cryptid creatures are likely to revel in this love letter to a legendary menace. Publishers Weekly Raves for The Montauk Monster A lot of splattery fun. Publishers Weekly Frightening, gripping. Night Owl Reviews.
