

The Polyscope of 1932, Vol. 31 (Classic Reprint) (Paperback)

By Bradley Polytechnic Institute

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Polyscope of 1932, Vol. 31 With this background the meaning of Bradley may be understood. First, Bradley means equal opportunity for all. Neither race, color, sex, social status, political or religious creeds could bar one from the door of opportunity which opened in Bradley Hall. At first Mrs. Bradley planned simple courses in the mechanic and household arts for the training of children who came from less favored homes. Then she came into touch with the late President Harper of the University of Chicago and was led to include in her plans a full high school course and two years of college. Second, Bradley stands for the qualities of industry, independence and usefulness. Mrs. Bradley was a worker. She, in common with the housewives of the forties and fifties, knew what it was to labor in the production and preparation of clothing and food for her family. By this experience she learned that independence and usefulness come through intelligent and efficient industry. She, therefore, stated in the fundamental charter of the school that the chief aim of the...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
