Reviews

An exceptional book as well as the font applied was fascinating to learn. It is loaded with knowledge and wisdom I am just easily can get a pleasure of studying a created book.

(Dr. Benjamin Lakin)

MAGICAL RELIGION MOD WITCHCRAFT

State University of New York Press. Paperback. Book Condition: New. Paperback. 432 pages. Dimensions: 9.0in. x 5.8in. x 0.8in. Provides an overview of neo-paganism from the Goddess to magic and rituals, from history and ethics to the relationship of neo-paganism to Christianity. This comprehensive anthology examines contemporary neo-paganism ranging from goddess theology to historical-critical essays. Many of the contributors are academically trained neo-pagans, and the resulting volume is a benchmark study of a significant movement that promises to reshape the religious landscape of the next century. I feel this book is a very well-rounded exposure to growing special interest groups--from the Goddess to Magic and Rituals, from History and Ethics to Christianity and Neo-Paganism. It demystifies modern witchcraft, and shows it to be a modern reconstruction of a few ancient elements with many new innovations added by certain romantic personalities. Every article by its investigative nature is insightful and certainly of intellectual importance. -- Kevin A. McCormack, World University of America (Ojai) Today we see an ever increasing number of New Religious Movements emerging that are strange to the general public. What is strange, unknown, or not understood, is often frightening. What is frightening often leads to conflict similar to that of the burning of the Branch Davidians in Waco, Texas by our government officials. Many religious scholars have told me of their hunger for inside information. When I speak to groups of average citizens, I am pleased to note their extreme interest in this matter. This entire anthology, to me, is enough to stimulate my appetite. I find it to be refreshing in my search and studies by being able to compare the different points of view of the contributors in a single source. -- Moorman Oliver, Jr., Retired Santa Barbara County Sheriffs Criminal Investigator Dr. Lewis has located a...
