CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 164 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Edgar Allan Poe (1809-1849) is one of Americas greatest and most dark and mysterious writers. The circumstances surrounding his untimely death are still unknown, as is what made him tick. Part of the American Romantic Movement, Poe is best known for his tales of mystery and the macabre, and Poe was one of the earliest American practitioners of the short story. Long before Sherlock Holmes became famous, Poe invented the genre of detective fiction and contributed to science fiction. Poe and his works influenced literature in the United States and around the world, as well as in specialized fields, such as cosmology and cryptography. Poe and his work appear throughout popular culture in literature, music, films, and television today, and the NFLs Baltimore Ravens got their name from his most famous poem. Poes best known fiction works are Gothic, a genre he followed to appease the public taste. His most recurring themes deal with questions of death, including its physical signs, the effects of decomposition, concerns of premature burial, the reanimation of the dead, and mourning. Many of his works are generally considered part of the dark romanticism genre, a literary reaction to transcendentalism, which Poe strongly disliked. This item ships from La Vergne, TN. Paperback.
