Boutwell Dunlap, recognized peer of Greek letter historians, has been of greatest aid to me. He first thought of a history. Through his work as national historian of our Fraternity he was able not alone to be of an invaluable source of information, but by his criticisms has molded the raw material into a form otherwise impossible of attainment. In the collection of records and funds for the publishing of this little book, Howard Mortimer Leggett deserves credit. In this, as in all his other labors for Beta-Xi, he gave freely of his time. The others who have assisted me, too numerous to mention, I also thank. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
