*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.*

Frances Lincoln Publishers Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. This is the sixth title in the highly-successful Anholt s Artists series about great painters. Each book tells the story of real meetings between a world-famous artist and a child who inspired him in his work, with reproductions of some of the artist s most famous works. This book describes the close relationship between Matisse and Monique, a young girl who wants to become a nun. Matisse develops a sketch drawn by Monique into a set of stained-glass windows and starts raising money to build a chapel for the nuns at Vence, in south-west France. Finally one morning when the chapel is finished, Monique sees the special magic of Matisse s design: when the sun s rays creep into the chapel, transforming its black and white interior into a fantastic sea of blue and green light!.
