Pain comes in many forms and too often we re told to ignore it, hide it, or simply run away from it. With decades of service as both a teacher of, and practitioner in, the healing ministry, Father Richard McAlear has a different approach that recognizes even embraces the complex nature of pain. A cluster of emotions anger, anxiety, fear, hate, negative self-image, resentment, and self-pity affect our health. Therefore, a healing ministry must be handled in such a way that emotions and psychological factors are addressed with care and sensitivity. It must also embrace the vast beauty and power and depth of our Catholic Faith, keeping it: Christ-centered deeply rooted in the person and ministry of the Lord Jesus Christ. Scriptural utilizing the insights offered by Scripture to delve into the Holy Spirit s role in the work of healing. Holistic exploring the interplay and connections between the mental, spiritual, and physical dimensions relating to healing and health.
