Integrated Accounting (with General Ledger CD-ROM) (Mixed media product)

By Dale H. Klooster, Warren W. Allen, Glenn Owen

Cengage Learning, Inc, United States, 2014. Mixed media product. Condition: New. 8th edition. Language: English . Brand New Book. Packed with practical applications and step-by-step instructions, INTEGRATED ACCOUNTING + GL CD, 8e thoroughly illustrates computerized accounting and operating procedures for Windows-based programs. The new edition takes full advantage of the Windows environment. Preparing you for real-world practice, the general ledger software emulates commercial software packages. Detailed instruction and clear examples fully explain the software while all-new problem data sets give you plenty of hands-on experience. INTEGRATED ACCOUNTING gradually introduces software through opening balance files, showing you how to process ongoing accounting systems. As a result, you learn accounting topics while gaining software experience. Each chapter offers a sample problem, a student exercise, two software problems (with audit questions), and the use of a student-solution checker--enabling you to work at your own pace.
