ST. ANNES DAY

Plenum Publishing Corporation. Paperback. Condition: New. 352 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Can a woman who has given up on true love find it with a man who fears it? As Anne Lyons fumes while waiting in traffic on a refreshingly cool July morning in Pittsburgh, she glances out her car's window and observes that the day is so clear, you can almost see into the future. Little does Anne know how prescient she is for she is about to meet her destiny. Anne, who has recently been fired from her nursing position at a nearby hospital due to a flare up of her explosive temper, has been contracted as a private-duty nurse to care for Peg McMaster, an elderly spitfire who has recently been released from the hospital following heart surgery. The only complication--Peg's handsome son, Gerry Mac McMaster, who is one of the city's most eligible bachelors and the proprietor of Mac's Place, a popular night spot. His flirtations and charm unnerve Anne and his good looks, especially his gas-flame blue eyes, ignite something in Anne--something that disturbs her. Peg perks up when she is introduced to her new nurse. The old woman has been praying to St. Anne, the patron saint of housewives, to find a suitable wife for her playboy son before she dies, and she believes that Anne's arrival on the Feast of St. Anne, is the answer to her prayers. Peg and her friend Irma begin scheming to bring Anne and Gerry together, much to the chagrin of Gerry's current lover, the imperious Claudia. Anne bears terrible scars from a previous relationship, and she sees many of her former lover's traits in Gerry. The last type of man Anne wants to become involved with is another womanizer. As for Gerry, he has vowed...
