FORFEITING ALL SANITY: A MOTHER S STORY OF RAISING A CHILD WITH FETAL ALCOHOL SYNDROME**DOWNLOAD PDF**

Tate Publishing Enterprises, United States, 2010. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Jennifer dropped to her knees, trying to make sense of the doctor s diagnosis: Your daughter has fetal alcohol syndrome. Her adopted daughter, Ashley, the blond, blue-eyed angel she longed and prayed for since she was a teenager, would forever be affected by her birthmother s decision to drink during pregnancy. Ashley would suffer all her life from mental and physical birth defects that were completely preventable, and she would have less than a 10 percent chance of ever being able to live on her own. In *Forfeiting All Sanity: A Mother s Story of Raising a Child with Fetal Alcohol Syndrome*, Jennifer Poss Taylor shares her family s experience with FAS and the perseverance, sense of humor, and love that daily overcome its effects. Taylor s honesty and personal insight will capture readers as she describes the daily challenges of raising a child with special needs. Every parent will be touched by this story. Finally, a book that explains this unfortunately-common disability to others! Taylor does an excellent job of providing exact information from a parent s perspective that allows her to see the potential in a child, while explaining why a child with FASD may have severe difficulties in life. -Denese Thetford, FASD Coalition, Texas state office of TOPDD advisory board.
