CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 104 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Learn about how to conduct a job search from someone who has personal experience and has worked in workforce development for several years. This is for the general (sometimes known as Blue Collar) as well as the corporate professional (White Collar). Are you tired of having to look in so many different places to find what to do in each part of the job search? What about finding a book that tells you that you can find a job but doesn't tell you how to do all the steps? This is where to look for information specific to the process, techniques and type of worker looking for any job, but particularly the job seeker looking for work in labor, industry or service. Given today's employment market and the incredible increase in competition, all job seekers must formalize their approach. Now that there are more people than ever competing for the same job, the person who knows best all steps in the process and can present themselves well at every step is going to be the most successful. If you use...
