

On. Terrorism: Simple Cause - Simple Cure

Filesize: 8.12 MB

Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
(Rene Olson)

ON. TERRORISM: SIMPLE CAUSE - SIMPLE CURE

William W Morgan, United States, 2007. Paperback. Book Condition: New. 223 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.Most of what we believe about our societal system and religions-whether we are Christians, Jews, Muslims or something else-is false. Being basically conservative, for thousands of years we have built on a foundation of falsehoods. Until we are drowning in a sea of them. We read, accept and believe the history written by those of our own cultural group. Accept the romantic version. That of the visage of an Alexander or Napoleon. And forget the true version. That they were serial killers who murdered millions, destroyed vast amounts of property and the hopes and dreams of millions. The legacy of Napoleon is that he impoverished France and Europe for a century. So that today we can say that we have never solved even one of our basic societal problems. Rather, they become ever-more endemic and intractable. History and the daily news is the conformation of this. Modern terrorism began 900 years ago. This book tells you what started it. How we have added greatly to it in less than fifty years. Who is we ? The same we that have ignored the pleas to implement the simple solution. One that would have saved millions of lives in the last five years alone. Tens of millions of lives in the past century. For fifty years ignorant Western, Christian and Jewish rulers missed the opportunity to make up for 900 years of interference in the Arab and Muslim world. First to prevent the appearance of terrorism, later to end it. Thus they did not solve problems, but only ensured the wound would fester and ignite world terrorism. This book tells the cause and cure for this problem.
