Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Outskirts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Lightworker s Handbook A Spiritual Guide to Eliminating Fear How would you like to awaken tomorrow morning and realize you hold the answer to peace in the world? The Preface of this book says it s a call to action and it certainly can be yours. If you re searching for meaning in the midst of chaos and looking for a way to adapt to a rapidly changing world this little gem is your answer. Would you like to get to the root of the resistance and fear that often arise in your personal and professional relationships? Would you like to know why you were born now and exactly what your job title is? How about your mission and life purpose? The Lightworker s Handbook brings much needed guidance as Consciousness awakens across the globe in this new millennium. The world is going through a realignment process that causes the breakdown of previously existing patterns of behavior and resolution. This realignment can cause temporary confusion and yet, at the same time, seem strangely familiar and affirming. This simple and straightforward handbook is a wealth of spiritual insight into the challenges we face personally and globally in navigating this unprecedented change. For example: You are a moving force that can open a portal to an alternate state of being where separation is unknown and Oneness the norm. You will accomplish this as you move into full recognition of Who You Are and of what you are capable. The effect of this realization will be magnified exponentially once you align with other Lightworkers engaged in the same work. There s nothing complicated here. The handbook is straightforward and concise but packed with wisdom...
