Summary: An absorbing book, full of Dickensian details.--Forbes Wafa Sultan is a great heroine of our times, willing to risk everything to stand up to these immense evils when most people are too fainthearted or politically correct to do so. A God Who Hates should be read closely and studied by the President, European leaders, and all Western policymakers and opinion-shapers -- before it is too late.-- Robert Spencer, author of the New York Times bestsellers *The Politically Incorrect Guide to Islam (and the Crusades)* and *The Truth About Muhammad* Wafa Sultan experienced firsthand the immense contempt of human dignity Islam harbours, and the unimaginable cruelty Muslim women have to endure on a daily basis, resulting from it. Her compelling book is a touching life story filled with bone chilling examples of what it is like to live in a society that is ruled by Islam and how valuable our Western freedom truly is. It is because brave women like Wafa Sultan have the courage to speak out against this doctrine of hate that we in the West have been forewarned. I hope that everyone reads this book and takes note of the important message it contains. We must defend our precious liberties, our Western freedom and never give in to Islam.-- Geert Wilders, member of the Dutch Parliament and leader of the Party for Freedom With rare courage and candor, Wafa Sultan throws open the shuttered windows on Islam, letting clean, bright sunshine pour into its darkest corners to illuminate Islam from the inside. This is where she lived it, confronted it, and ultimately rejected its sacralized teachings--on women, on marriage, on children, on Christians, on Jews, on freedom of conscience, on war, on world domination as...
