**GALLIPOLI 1915 THROUGH TURKISH EYES. TRANSLATED BY AMY SPANGLER.**

Istanbul: T. Is Bankasi Kultur Yayinlari, 2007., Istanbul:, 2007. Hardcover. Condition: New. ORAL, HALUK Gallipoli 1915 through Turkish eyes. Translated by Amy Spangler. Istanbul: T. Is Bankasi Kultur Yayinlari, 2007. First edition, 4to. (31x25 cm.), xxxv, [1], 485 p., fully color ill. For the forces at Gallipoli, there was no retreat beyond the trenches. Surrounded by the sea on one side and precipitous cliffs on the other, trenches were veritable traps offering no escape. Though death ran rampant in the trenches, they were also the site of human stories that would become the stuff of epics. To the Ottoman soldiers fighting no longer in the name of the Sultan, but for their own people and country, each trench was their homeland. For the Anzac soldiers, too, the battle marked a turning point, as they began to question the British Empire, and with their epic heroism in a distant land so far from home, started to form their own identity. The powers at war in Gallipoli shared a common fate. In a fight to the death waged in trenches facing each another at distances of just eight, ten, twenty meters, they learned to respect one another, and their common fate would lay the foundations for a friendship that would flourish once the battle had drawn to a close. This book is the product of Haluk Oral's passionate quest of some twenty years, during which he fastidiously collected the documents, objects and recollections you will read about herein. It is not a typical study of war or war history. At the heart of this work are the 'human landscapes' of the Battle of Ariburnu, one of the most critical clashes of the Gallipoli Campaign. The author traces the stories of the people of both sides, shaped as they were on the thin...
