**BIG ROAD BLUES-12 BARS ON I-80 (PAPERBACK)**

Mountain Top Publishing LLC, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.BIG ROAD BLUES:12 BARS ON I-80 is the often irreverent blues memoir by, blues harmonica man Mark Hummel. Fact and fiction combine in this memoir in a variety of hilarious to frustrating incidents taken from twenty six years on the blues highway. Big Road Blues tells the story of a blues musician s life and trials, driving to and entertaining in clubs with his band, as they travel around the USA and the world. Mick Jagger and Sting lead the glamorous life on the road but not so with Hummel and his traveling troubadours of Blues Survivors. Working their way across the country from one blues venue to the next, in a van packed with the band, instruments, and product, in all degrees of violent weather, and managing a band of often radically troubled musicians in the process! Yet somehow, our harmonica virtuoso and promoter Mark Hummel, manages to play extended tours back and forth across the USA, Canada and overseas on a full time basis. Hummel has been playing over two hundred gigs a year for three decades! Big Road Blues:12 Bars ON I-80, are some of the tall and small stories that grew from these adventures and misadventures on the Big Road Blues Highway! Throw in Mark Hummel himself, by no means a simple man and the often insane club owners and you have the savory brew of the real life on the road! Hummel manages and books the tours himself and he has his work cut out for him. Are you ready to meet some of the worldwide network of unethical bar owners and promoters, sleazy motel managers, paranoid highway patrolmen, grumpy toll booth collectors, bored waitresses and convenience...
