Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. On Life and Love and Why We Are Here is intended to be an introduction to the combination of a) the concepts developed at the leading edge of many sciences and b) the new spirituality attempts to redefine what the Why questions of Religions were, before the bureaucracies of Religion debased them for the secular power of their corporate organization. The book is actually part of the authors search for Who he is, Why he is here, What this journey is all about and When he will know that he is on the right path for his journey. It is intended, as well, to be of help to others who are starting a search to find the answers to those same questions. Humanity is evolving from a fear-based Homo sapiens, the thinking humankind, to a love-based Homo spiritus, the loving humankind. It is likely that we humans turned the corner, spiritual-power-wise, in 2012, although that was not widely publicized. In any case there is now a critical number of humans who make love and loving their main point in life and the effect will expand exponentially over the next few decades. Love trumps fear every time. The book presents a series of sayings that came to the author as he fell asleep or woke up, plus one page of commentary on those sayings. The reader is challenged to take, from what is presented, only those things that will make the reader a better person - that choice is to be between them and their maker, however such a creator is defined by them. The reader is also challenged to determine whether or not they can see different...
