She becomes concerned that her daughter is too distant, perhaps from depression, so one day she confronts her on the matter. To her disappointment, she discovers that her daughter, Mary has been fooling around with a young boy outside of the faith, one Richard Brock, and that their actions have resulted in Mary s pregnancy at the age of fifteen. Now, Leah has to try to fold this rebellious teenage boy into the monotony that is raising a farm. However, she ll learn that, in order to keep this growing family together, she must accept the reality of what God has presented to her. -----
