Take that thine is and go thy way: I will give unto this last, even as unto thee. The State by this act of justice does not belittle hospital training; in reality it has given the greatest impetus towards perfecting it. Yet it is hard to convince a hospital graduate that she and her training are not defrauded in some way when an experienced nurse is licensed. She is positive of its rank injustice, for has she not borne the burden and heat of the day as represented by her three years hospital service, while this other woman has been out earning \$21 or \$25 per week?...
