PROFESSIONAL NURSING: CONCEPTS CHALLENGES (PAPERBACK)**DOWNLOAD**

Elsevier - Health Sciences Division, United States, 2016. Paperback. Condition: New. 8th Revised edition. Language: English . Brand New Book. Appropriate for use in early courses in baccalaureate curricula; in RN-to-BSN and RN-to-MSN courses; and as a resource for practicing nurses and graduate students, Professional Nursing: Concepts Challenges, 8th Edition equips students and new nurses to positively impact their careers and the nursing profession. This leading text details what it means to be a professional nurse - the history, values and standards, and commitment to life-long learning. This edition features new information on QSEN, Electronic Health Record information, the effect of social media in nursing, and updated information on the Affordable Care Act. Valuable learning aids throughout every chapter include: case studies, cultural challenges, evidence-based practice, critical thinking, interviews, professional profiles, historical notes, nursing research, concepts challenges, and ideas for further exploration. This edition discusses the current state of the nursing profession, standards and scope of practice, transition into professional practice, health care delivery systems, and future challenges for the nursing profession. Evidence-based Practice boxes highlight problems identified in patient care, the nursing researcher's questions and research, the results of that research, and the resultant recommendations for care. $\frac{1}{2}$ Considering Culture boxes highlight the impact of culture on the way in which nurses fulfill their roles and the way in which patients experience healthcare. $\frac{1}{2}$ Interview boxes explore the issues of culture and faith from the perspectives of leaders in those fields. Thinking Critically Challenges present questions or scenarios for in-depth consideration of relevant issues. Case Study boxes feature scenarios involving relevant issues in patient care. $\frac{1}{2}$ Discusses the implications of social media on nursing, including ethics and boundaries. $\frac{1}{2}$ Historical Notes highlight little-known stories of heroisms in the nursing profession. Key terms are bolded where defined in the text. A Glossary is included at the end of the text. Learning outcomes are...
