In the case of most great writers our interest in them as persons is derived from our interest in them as writers; we are not very curious about them except for reasons that have something to do with their art. With Shelley it is different. During his life he aroused fears and hatreds, loves and adorations, that were quite irrelevant to literature; and even now, when he has become a classic, he still causes excitement as a man. His lovers are as vehement as ever. For them he is the -banner of freedom, - which, -Torn but flying, Streams like a thunder-cloud against the wind.- He has suffered that worst indignity of canonisation as a being saintly and superhuman, not subject to the morality of ordinary mortals. He has been bedaubed with pathos. Nevertheless it is possible still to recognise in him one of the most engaging personalities that ever lived.
