Brand New Book ***** Print on Demand *****.Excerpt from The Mechanical World Electrical Pocket: A Collection of Electrical Engineering Notes, Rules, Tables and Data Among the important improvements made in the present issue of this popular reference book, the first place is taken by the lengthy section on Motor Starters and Controllers. The previous matter on Motor Starters has been rewritten, and the general treatment extended very considerably. The section on Transmission Conductors and Cables has been revised and a new table of Maximum Currents introduced, The matter on Wiring Systems and Methods has also been rewritten and extended. Substantial additions have been made to the section on Electric Heating and Cooking, while the matter on Electric Lifts has been rewritten. A list of Principal Abbreviations has also been included. Other revisions have been effected and a number of new illustrations introduced. Readers desiring information on mechanical means of transmitting power, steam-engines and boilers, gas and oil engines, etc., are referred to the mechanical world year book for 1921, in which many new features have been introduced.
