Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.
(Prof. Damon Kautzer III)

FIELD THEORIES (PAPERBACK)

Nightboat Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Field Theories wends its way through quantum mechanics, chicken wings, Newports, and love, melding blackbody theory (idealized perfect absorption vs. the whitebody s idealized reflection) with live Black bodies. Woven through experimental lyrics is a heroic crown of sonnets that wonders about love, intent, identity, hybridity, and how we embody these interstices. Albert Murray said, The second law of thermodynamics ain t nothin but the blues. So what is the blue of how we treat each other, ourselves, and the world, and of how the world treats us?.
