## INDICATIONS OF CHARACTER IN THE HEAD AND FACE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Indications of Character in the Head and Face The study. Of character is obviously very intricate, involving much minute observation and close analysis, so that most persons think that one who would acquire skill as a judge of men must devote himself to it almost entirely; an opinion that is partly true and partly false. To be sure great skill and accuracy in the estimation of character demand long and patient study, but a degree of expertness may be obtained through the employment of part of the ordinary leisure which nearly all business or professional men have, in the set observation of the men and women they meet, in accordance with the precepts of a proper textbook. And this degree of skill will prove invaluable in various ways. To use the language of a recent work, Brain and Mind, it will be found useful in enabling us to analyze the characters of those whom we meet.
