Winters Publishing Group, LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Process is a word that is very familiar to us today. We may know and understand what the definition of the word is, but do we really have a true understanding? So many times it is viewed in a negative way, but truly it can be a positive in our lives. We must see process as a positive position in our lives, and through this book we are going to bring to light the pros and cons of process. We are primarily going to uncover myths of the process and give you a better understanding. We will focus on the Pros of Process. The Definition of Process: A series of actions or steps taken in order to achieve a particular end. Meanings of the same word are procedure, operation, action, activity, business, job, task-- all these are the noun definitions of the word. The verb definition of the word is to perform a series of mechanical or chemical operations on something in order to change or preserve it. A continuous action or a series of changes taking place in a definite manner.
