Brand New Book ***** Print on Demand *****.Learn like a pro from these blockchain treasures of knowledge in a bundle of 2 books. Book 1: You ve learned the specifics of blockchain technology. You ve become the ultimate expert geek on this subject. You ve read my other books, and you know how it all works. So now what? Well, now it s time for you to apply these things in real life. That s why I added this book to the series to show you, for instance: The recent blockchain developments and how to stay up-to-date. What ethereum is and how to use it. The shifts in the industry and the kinds of employers who need people like you. How blockchain technology influences the cyber security systems, music industry and gaming industry. Threats to the system and the programming methods. All about investing, supply chains, and more. Book 2: A different angle. a different twist to the elaborate uses of blockchain technology you should know more about! Added to the previous books I ve written, I felt inspired to increase your expertise in this particular area and...
