

Manual of Physical Medicine and Rehabilitation (Paperback)

By Christopher M. Brammer, M. Catherine Spires

Elsevier Health Sciences, United Kingdom, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Manual of Physical Medicine and Rehabilitation is a unique, practical, clinical guide that focuses on the problems and management issues of patients with acute and chronic impairments. Though intended primarily as a guide in the acute inpatient setting, many areas present information that is applicable for the outpatient setting. Major sections include the Psychiatric Examination, The Rehabilitation Patient, Issues in the Rehabilitation Patient, and Therapeutic Interventions. Concise form nicely complements larger, more comprehensive texts. Washington Manual type approach to PMR Comprehensive, practical coverage of entire field of PMR in easy-to-use format.

Reviews

The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.

-- Chelsea Durgan PhD

I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
