

The Sons of Pigs and Apes: Muslim Antisemitism and the Conspiracy of Silence (Hardback)

By Neil Kessel

Potomac Books Inc, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. From the 1950s through the 1990s, antisemitism everywhere seemed to be on the wane. But as Neil Kessel documents in this startling book, the Muslim world has resurrected in recent decades almost every diatribe that more than two millennia of European hostility produced against the Jews, and it has introduced many homegrown and novel modes of attack. Though it is impossible to determine precisely how many of the world's 1.2 billion Muslims hold anti-Jewish beliefs, Kessel finds that much bigotry comes from the highest levels of religious and political leadership. Compounding the problem, as Kessel demonstrates, many in the West refuse to recognize this issue. The growing epidemic of hate has been largely ignored, misunderstood, or downplayed, Kessel reveals, because of apathy, ignorance, confusion, bigotry, ideology, purported pragmatism, and misguided multiculturalism. Those who value human rights ignore antisemitism at their own risk, he cautions, noting that no antisemitic regime or movement has ever been otherwise reasonable or progressive. Kessel argues convincingly that Muslim antisemitism provides an acid test of the seriousness of Western liberalism. If the West fails to stem this growing tide, as now...

Reviews

Thorough manual for ebook fans. It had been written quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.
