

Flipping Out: The Art of Flip Book Animation: Learn to Illustrate Create Your Own Animated Flip Books Step by Step (Hardback)

By David Hurtado

Walter Foster Jr., United States, 2016. Hardback. Book Condition: New. 241 x 187 mm. Language: English . Brand New Book. Flipping Out: The Art of Flip Book Animation describes the adventurous art of flip book animation for cartoonists interested in drawing their own handheld, moving-illustration booklets. Learn to create an animated flip book from start to finish, including brainstorming, storyboarding, penciling, inking, and coloring. After a short introduction to flip book animation and a basic description of the most effective tools and materials necessary to begin, Flipping Out: The Art of Flip Book Animation guides readers through the brainstorming and storyboarding process, a process similar to that of modern animated shorts. Aspiring cartoonists are then introduced to a unique, animated drawing style, starting with pencil and then graduating to colored pencil, ink, and watercolor. Once readers have developed a simple storyboard and basic cartooning skills, they are invited to create two of their own keepsake flip books provided with the book.

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
