Brand New Book ***** Print on Demand *****.Agent Plaiedeaux ordered his team to proceed with the arrest of William Stradom. After several hours of trying to storm the facilities, everyone became exhausted and turned to look at Agent Plaiedeaux. Let s see, said Agent Plaiedeaux. We have rammed the fence but only our vehicles were damaged, had a welder cut the hinges only for the gate to remain as if the hinges were not cut, leaving the gate apparently floating in mid-air, then the hinges reappeared as if they were never cut. We also broke several chains trying to use a vehicle to pull the gate down, and when we tried to climb over the fence we encountered some sort of invisible force field. Did everyone get all that? We are the FBI, nothing like this is supposed to exist without our knowledge. As of now everything about this operation is classified.
