JESUS ATTITUDE TO WEALTH AND POVERTY: A REVOUTIONARY NEWLOOK OF ITS IMPLICATIONS FOR THE NIGERIAN CHRISTIANS (PAPERBACK)

Max-Chris Enterprises, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Jesus Attitude to Wealth and Poverty, Ven. Dr. Honest Nwosu has put down a compilation that is at once a theological treatise as well as a practical guide to a basic need and practice in the church and society. Here is an x-ray into the many sided presentations of what remains topical in our spiritual and mundane pursuits. This book is also replete with a survey of distortion of the prevailing teachings on matters of prosperity and poverty, while situating these with the apt balance required. It also interrogates author s views and cultures as extensively as it does the economic principles and forces at play today controlling issues of money and acquisition. This book is a must-read for the householder trying to make ends meet, and for the student of economics; for the Christian and minister of the gospel seeking balance and Jesus attitude on issues of wealth and poverty. The business owner and the corporate players will find a veritable working tool here, just so as the ardent researcher on concepts of wealth and poverty will discover here a rich exegesis of much informed literature.
