PRISONERS OF HISTORY: THE STORY OF DALIA, A PALESTINIAN (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Prisoners of History: The Story of Dalia, a Palestinian is a non-fiction novel of contemporary events. It s about a girl, one of over 1,000,000 Palestinian children trapped as prisoners in the military Occupied Territories of Gaza and the West Bank, and her struggle for food, electricity, education. and freedom. The short, but disturbing, fact-based narrative is based on official Israeli policies, secret police tactics, real-life events, and authentic episodes experienced by actual people. The use of the word Prisoners in the title is derived from the book by Israeli-British scholar and Professor of History Ilan Pappé, The Biggest Prison on Earth. Since 1975, the author has been to Israel over 20 times, and over 10 times to Palestine. Over the years, he has met with hundreds of people, including government and military officials, as well as private meetings with Ehud Olmert (former Mayor of Jerusalem and former Prime Minister of Israel), Hanna Nasser (former Mayor of Bethlehem), and Yasser Arafat (former President of Palestine). With fascinating and informative interviews throughout the narrative, Dalia explains the oppression and obstacles she and her little brother endure, and their efforts to become educated, under Israeli military rule. Disturbing details are revealed about the thousands of Palestinian children physically harmed, killed, arrested, and imprisoned -- including a special Israeli military court for children. Also shocking is authentic modern scholarship from leading academicians at universities in Israel, exposing the mythology behind the Exodus, and revealing that most Israelis have European blood -- not Semitic blood. The interviews of Dalia are conducted by three composite journalists, from the US, the UK, and Israel, who provide an ongoing analysis and fascinating new insights of the biblical history,...
