Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

SWEET BLUE FLOWERS, VOL. 3 (PAPERBACK)

Viz Media, Subs. of Shogakukan Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. A genre-defining saga of love and friendship between girls. Akira Okudaira is starting high school and is ready for exciting new experiences. And on the first day of school, she runs into her best friend from kindergarten at the train station! Now Akira and Fumi have the chance to rekindle their friendship, but life has gotten a lot more complicated since they were kids. It s time for the Fujigaya theater festival again, and this year Akira and her friends have chosen an ambitious Japanese play. Not only will it seriously challenge their acting abilities, but the number of characters in it means they ll need all hands on deck to pull it off. But ever since Fumi admitted that she had feelings for Akira, their friendship has been a little awkward. Will the forced intimacy of collaborating on the play help them work things out, or make things worse? The best known and most highly regarded series in the yuri (girls love) genre. * Releases 4 times a year for 4 volumes. Series ends at 4. * Takako Shimura s previous series, Wandering Son, is a critical success and was on the 2012 YALSA Great Graphic Novels for Teens list. * A 12-episode anime streams on Crunchyroll. * The success of comic series like Lumberjanes and Jem and cartoon shows like Korra and Steven Universe point to a growing market for nonexplicit queer content; series offers a refreshing alternative to mean girl and homophobic narratives that will be invaluable to young queer women looking for role models.
