The Complete Guide to Drones, Extended and Fully Updated 2nd Edition: Choose, Build, Photograph, Race (Paperback)

By Adam Juniper

Wellfleet Press, 2018. Paperback. Condition: New. 2nd Revised ed.. Language: English . Brand New Book. If you think you need a boarding pass to fly, you re really missing out! Today, drones are everywhere. From film studios to farms, they re in the hands of photographers, commercial surveyors, and racers alike. This fully illustrated book explains how drones developed, where they re going, and which one you should choose. It even includes complete instructions to build both a simple drone and a super-fast FPV racer yourself. Whether you re flying indoors or out, buying or building, this book covers everything: Understand the Jargon: Flying has a lot of unfamiliar terminology, but this book will make it easy to master. Business or Pleasure: Every type of multicopter you might want is introduced, including explanations of which is best suited for what role. Get the Best Pictures: This edition includes an extended guide to the tech and composition tricks you can use to make your pictures stand out of the pack. Get the Best Video: A new shot-guide shows you how to get the most engaging aerial video, whatever your drone. Be an FPV Racer: There are complete step-by-step instructions for building...

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Brennan Koelpin

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
