Breanna's boyfriend, Liam, is heir to both the family title and the family estate of Southgate, where everyone seems to have a secret . . . or two. When the body in the sitting room disappears, Sadie and Breanna are stranded at the estate until the police can clear them to leave. With their departure delayed, they might as well solve the murder. Armed with a jogging whistle, her personal recipe collection, and an unfailing sense of American justice, Sadie begins her own investigation to find the killer. But as Sadie uncovers layer after layer of misdirection, secrets, and outright lies, she wonders if anyone is telling the truth or if the case is really as hopeless as it appears to be. Take a missing family fortune, toss in a secret romance, mix with a mysterious murder, and this is one vacation Sadie will never forget.
