Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, How to Pull: A Girl's Must-have Guide to Meeting and Dating Men, Tom Kimble, Most single girls will tell you that meeting and dating men is a minefield. Yet so many relationship books tell girls the things they don't want to hear (why all men are scoundrels) as opposed to what they really want to know - how to navigate that minefield to meet, date and ultimately bag, the man of their dreams."How to Pull" fills that gap in the relationship book market. It's packed with all the essentials from how to hook him with that first look, to dating scenarios, moving in for the kill, playing the texting or email game and what to wear on a first date. What's more, it's written by a man and by allowing girls to understand how an insider thinks, it answers all the questions they agonise over: how long should you wait to return his text, does it pay to seem busy or desired by other men and what does he want his friends to think when they meet you. "How to Pull" is a fun, indispensable guide to finding (and keeping) a man that all single girls will be desperate to get their hands on.
