SOUND THE RAM S HORN (PAPERBACK)**DOWNLOAD**

Hard Shell Word Factory, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sometime in the near future, a baby is born that defies all the known medical laws. Genetically, his doctors say he is all wrong, because they have no medical terms for his condition. They maintain that he should not live, yet he does. He and a few others like him are born with DNA patterns that, according to medical knowledge, should not exist. Yet, they do exist and their unique powers seem super human--but are they? Joshua and the Golden Children begin an adventure into the realm of human consciousness and maybe even into discovering the secrets of creation itself. They face prejudice, fear, superstition and even death to bring hope for Mankind s future.
