HearthLand is a serial novel released in episodes. Volume Four is a compilation of Episodes 19-24 Taking a step back in time-deliberately. After a trip to Walden Farm and an afternoon talking to Chad and Willow Tesdall, Ralph Myner caught a vision for what life could be like. Against the advice of his nephew, Ralph sinks his entire retirement account into an incredibly risky venture. Harlan Walker thinks his uncle has gone crazy. With the project in motion, all he can do is try to find people to invest their time, money, and even their lives into Ralph s project before the man ends up broke and without means to survive. Ralph has an idea to solve Annie s problems, but she isn t convinced. The residents mother Ralph a bit as he endures forced recuperation again and instead, drive him crazy. Add to that a new investor who makes Ralph uncomfortable along with bad news from Keith, and life at HearthLand just got a whole, new level of interesting. Ralph is concerned that Annie s getting too close to someone he...
