

Lan(D)Guage: A Sequence of Poetics (Paperback)

By Ken Belford

Caitlin Press, Canada, 2008. Paperback. Condition: New. Language: English . Brand New Book. In Ken Belford's fifth book of poetry he takes us on a journey through Canada's roadless north where he has discovered a third world gaze, looking out at industrialism and its impact on a region abundant in resources and natural beauty. Lan(d)guage is an unsentimental and non-reactionary perspective, a deep investigation of the psychology of both the electronic revolution and postmodernism. It is also a collective conversation having to do with the mobile geographies of inequality. The poems are a study in the social cost of privilege and what it means to have access to power, surveillance and identity.
