Figinor Wegmil is but an ordinary young adult, living a humble life in his native town of Hearthvale. One day, his longtime friend Boremus presents a bold and dangerous proposition to find far off riches in a distant cavern to the north. With a bit of nervous apprehension, Figinor joins him, but neither of them could have predicted what was to befall them next. At the time of their grand adventure, a vile legion is reforming, one that once held great power and that will stop at nothing to get it back. On this exciting journey gone awry, Figinor and his friend soon find themselves amid bulbous dwarves, enchanting woods, murky depths, and some particularly dreadful creatures. Yet most importantly, they end up at the epicenter of something far direr: an epic effort to save the world they know and love from a horrific and destructive fate. In this enthralling tale, the thrilling world of Telibor comes to life, filled with mythical beings and captivating lands, uniquely portrayed in The Three Keys: The Golden Quarry.
