ABC of Kidney Disease (Paperback)

By -

John Wiley and Sons Ltd, United States, 2013. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. The ABC of Kidney Disease, Second Edition is a practical guide to the most common renal diseases to help healthcare professionals screen, identify, treat and refer renal patients appropriately and to provide the best possible care. Covering the common renal presentations in primary care this highly illustrated guide provides guidance on symptoms, signs and treatments, which tests to use, measures to prevent progression, and when and how to refer. Fully revised in accordance with current guidelines, it also includes organizational aspects of renal disease management, dialysis and transplantation. The appendices contain an explanatory glossary of renal terms, guidance on anaemia management and information on drug prescribing and interactions. The ABC of Kidney Disease, Second Edition is an ideal practical reference for GPs, GP registrars, junior doctors, medical students and for anyone working with patients with renal related conditions.
