ECONOMIC DETERMINISM

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Economic determinism is the theory which attributes primacy to the economic structure over politics in the development of human history. It is usually associated with the theories of Karl Marx, although many Marxist thinkers have dismissed plain and unilateral economic determinism as a form of 'vulgar Marxism', or 'economism', nowhere included in Marx's works. Economic determinism as understood by Marxism is the positivist belief that economical laws determine the course of history, in...
