This was the question that prompted Jennie Campbell to realize that the only thing she really collected was days - the days of her life. She wrote about them in letters, diaries, journals, and blogs, celebrating her daily life victories, figuring out how and why she missed the mark on some days, and learning how to show gratitude to God for each day that has been given to her. Sunshine Leads the Way is a collection of stories, inspired by her personal writing, that illustrate how an ordinary day in your life can have deep meaning and offer many life lessons that might otherwise be overlooked if you aren't paying attention. With scripture verses and wisdom literature quotes to accompany each story, enjoy Jennie's collection of days. Discover that every day is an extraordinary day when you open your eyes and heart and fill them with gratitude and grace.
