It is written with new concept and innovative outlook and contains twenty two chapters which are singular and exceptional in tune. It includes 250 definitions of love. They bear pithy and panoramic vista. It explains also how love deserves the innermost support in life as an underlying force, and it also exists even in every atom and molecule of everything as causal attractive force to keep the whole of creation in motion. Especially it is significant for inventing Love Spectrum (BERIGHT) based on Solar Spectrum (VYBGIOR).This new innovative concept classically explained first in the world. Besides, What is Love Pill? What are the compositions of it? What is the history of love pill? Why love is best catalyst? Why love is energy? Why a single kiss equals to ten painkillers?
