The Minuteman: Returning to an Army of the People

By Gary Hart

Free Press, United States, 2011. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A nation defines itself by the kind of army it creates for its protection. By that standard, America at the close of the twentieth century is large, powerful, and technologically sophisticated. But it is also muscle-bound, confused, wasteful, and desperately in search of a mission. In *The Minuteman*, former Senator Gary Hart proposes a provocative and radical restructuring of America's armed forces, asking the questions that have gone unanswered for too long: Why do we have 1.5 million men and women under arms with no major threat to our security? Why is our military budget at the same level as during the Cold War? Why are we spending more money for fewer weapons? Why are the best service personnel taking early retirement? Why is it taboo even to question the structure of our bloated military establishment? Drawing on his long experience as a leader in the field of military reform (including twelve years on the Senate Armed Services Committee), Hart proposes a return to the oldest principles of the republic, making an impassioned case for replacing...
