Church, Brooklyn, N. Y., during the month of January, 1895, in a series of revival meetings. It will be noted that the texts and themes are all selected from St. John s Gospel. The themes were selected some months prior to the delivery of the discourses, and such time as could be spared from the regular work of my ministry was devoted to the work of outline, Scriptural study, and the gathering of illustrative material from all sources open to me. When the time arrived, after a few hours study during the morning of the day in which the sermon was to be delivered, it was first dictated to a stenographer, though it was afterward in the evening preached without notes. The entire thirty-one sermons were thus at last forged and delivered during that earnest campaign. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
