Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Workman Publishing, United States, 2016. Paperback. Book Condition: New. 228 x 228 mm. Language: English . Brand New Book. More over, colouring books! Paint by Sticker Kids is back with a second book of amazing art for kids to make, one sticker at a time. Paint by Sticker Kids: Zoo Animals includes everything you need to create 10 bright, playful, full colour illustrations of 200 animals - illustrated templates printed on perforated card stock, and 10 pages of stickers to fill in and create the artwork. The fun, vibrant images are rendered in low-poly , a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint by number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next, and voila! Animals include koala, frog, elephant, red panda, puffin, peacock, snake, giraffe, tiger and gorilla. Kids will love watching these pictures come to life. Plus each is suitable for framing or the fridge.
