STORY BOX 2 - CAT ISLAND MYSTERY: MYSTERY STORY BOOK FOR CHILDREN (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cat Island is a Mystery Children s Book. What s on the inside: Surrounded by a notoriously fierce ocean that few boats ever dared to cross there was an island. Although barely visible behind a cover of thick, murky clouds, rumors circulated amongst the outside world about the island s existence and many had perished trying to find it. The ocean showed them no mercy as it destroyed their boats and watched them perish in its salty demise. You may think that this island was so hard to reach that no humans had ever stepped upon on. If you thought this then you d be wrong. Centuries ago a passenger ship was making the long journey home, when it got caught up in a terrible storm with waves higher than any mountains the people upon it had ever witnessed before. So it came to be that these people made the island their home and centuries later they still lived there. They grew their own food, caught fish and ate beastly s and they lived in huts they d built. Below the island they lay a cave that led into many passageways. It was a nine-year-old boy who everyone said was too small and little to achieve anything who was the first one to prove the existence of the creatures that lived within these caves; although the true extent of what lay beneath them was still open to be explored.
