After three passengers--Ming, Ari, and Angel--embark on an elite starship journey into the Realm, they unwittingly become ensnared in one man s bloodthirsty vendetta that will alter their very beings. It is an obsession that will take him to lands of demons and strange races--and into a deadly new cyberworld where humans are mere pawns of the godlike computers they have created. But it is only after Kincaid and his unwitting fellow travelers enter Well World and discover the water hexes that he confronts the mad tyrant--and learns their universe is threatened by something far, far worse . . .
