Alfred Publishing Co., Inc., 2009. Sheet music. Condition: New. Language: English . Brand New Book. This suite is ideal for the developing flute player. Each of the movements has its own character or mood and this allows for expressive playing as well as brilliant fanfares. Since the movements are fairly short, this is an excellent set of pieces for performances that are restricted by a time limit such as a church service. This would also make an excellent contest piece at a festival to show off the musical capabilities of a young musician.
